

# Delaware MIECHV

Maternal, Infant, and Early Childhood Home Visiting Program

Working to improve the health and well-being of mothers, children, and families throughout Delaware by providing them with the resources and skills to raise children who are healthy and ready to start school.

## Delaware's Performance Measures

Benchmark Area	Construct
<b>Maternal and Newborn Health</b> 	<input checked="" type="checkbox"/> Preterm Birth <input checked="" type="checkbox"/> Breastfeeding <input checked="" type="checkbox"/> Depression Screening <input checked="" type="checkbox"/> Well Child Visit <input checked="" type="checkbox"/> Postpartum Care <input checked="" type="checkbox"/> Tobacco Cessation Referrals

# DE Data Dashboard

## Where We are Headed

Our Home Visitors work hard to collect this data, offer referrals, and provide resources on every visit to improve the health of Delaware families! We look forward to building on these successes while addressing continuous quality improvement (CQI) in the areas of breastfeeding initiation, tobacco cessation referrals, and safe sleep education.
